Gentlemen,

Please forgive me not recognizing the case number for above hearing.

No doubt, the time for public input, comment has ceased. As a private citizen and ratepayer, I do submit a request regarding the Kentucky American, Louisville Water, Lexington triangle.

It would appear, after Tuesday's work session, the Lexington Fayette Urban County Council is in the palm of Kentucky American. Spending \$15,000.00 to aid in answering the question of which entity would better serve Lexington's future water needs is/was a reasonable request. That was denied.

Please do whatever possible to facilitate the most economical, reliable, environmentally sensitive water source for the ratepayers.

Thank you,  
Carolyn Plumlee
